

Customer information on deposit protection in Switzerland

Deposit insurance in Switzerland protects the credit balances of private and corporate clients in the event of a bank or securities firm's bankruptcy. This guarantee is regulated by law.

The protection is limited to a maximum of CHF 100'000 per client and institution. Multiple accounts are added together.

Esisuisse (the association tasked with implementing the deposit insurance scheme) guarantees that it will cover protected deposits as part of the self-regulation of Swiss banks and securities firms.

Deposits at China Construction Bank, Swiss Branch Zurich, are covered by the deposit insurance scheme.
